Wait No More: Finding Families for Waiting Kids

Prayer Guide

Every day, thousands of children and youth around the United States go to bed without knowing that they are deeply loved and cared for. For one reason or another, they've had to be removed from their biological families. Many of these children will be reunited - praise God. But for another group of them, they're waiting for an adoptive family to welcome them home.

Adoption

For waiting kids in foster care, the idea of being placed with an adoptive family can be as scary for the child as it can be for the family considering adoption. But we know that God is the one who knits families together.

"A father to the fatherless... God sets the lonely in families." Ps. 68:5-6

Wait No More

We believe that children in foster care should "wait no more" for the adoptive families they deserve. As we approach the upcoming Wait No More event, please join us in praying for the kids waiting in foster care, the families considering adoption, agencies and ministries that serve both families and children, and that God would be glorified through all of it.

Wait No More

“Defend the cause of the weak and fatherless...” Ps. 82:3

Children and Youth - Pray:

- Kids can transition smoothly into permanency with adoptive families instead of waiting in foster care
- Any fear of being adopted would dissipate
- They would find joy in their adoptive family
- God will prepare their hearts to be a son or daughter, brother or sister

Families - Pray:

- Families will respond to the call of God on their lives to pursue adoption from foster care
- Fear would be replaced by the truth of God's word
- Extended family and friends will wrap around these new adoptive families to support them along the way
- Families will remain patient even when the process is delayed or things don't move quickly

“...whatever you did for one of the least of these brothers of mine, you did for me.” Matt. 25:40

Agencies, Ministries, and Churches - Pray:

- Great matches are made, putting children into the right families to best serve and love them
- Churches offer support to foster and adoptive families
- Volunteers come forward to support each of these groups
- Barriers and delays to permanency are removed

Wait No More Event - Pray:

- The right families will hear about the event and attend
- Event details come together smoothly
- Speakers share what God has asked them to
